## Escape with your family to the Alton Towers Resort With PAB Tours ...

Experience the ultimate world-first rollercoaster

Starting in the area that was home to the Corkscrew, the ride plummets into the dark forest, where guests will have to try and escape the all-consuming power of the creeping forest.

Swashbuckle your way through **Mutiny Bay**, join Charlie on his amazing journey through **Willy Wonka's Chocolate Factory** or plummet into **Oblivion** before splashing out in the water park, practising your swing at **Extraordinary Golf** and taking time out in the luxurious Spa – all in the name of fantastic family fun!

With over two-thirds of rides and attractions available for children under 10, make the Alton Towers Resort your No.1 family escape of 2010.

Explore the hidden shipwreck of underwater fun, Sharkbait Reef by **SEA LIFE** located in the Pirate themed area Mutiny Bay, plus the fantabulous fun area Cloud Cuckoo Land, especially for our younger guests. Join Captain Black and his crew as they embark upon a mission of discovery beneath the wreckage of the galleon in Mutiny Bay. Our younger guests will be even more spoilt for choice in **Cloud Cuckoo Land**, complete with live entertainment and characters to meet and greet, an amazing combination of indoor soft play activities, plus a fantastic range of rides and attractions for the tiniest of tots to enjoy!

The fun never stops as children learn to drive at the **Peugeot Driving School**, ride the **Congo River Rapids**, enjoy thrills on the **Sonic Spinball** and take an animal-tastic cruise on the Riverbank Eye Spy. Youngsters can also interact with the extraordinary animals and meet the incredible giant bunnies in **Old MacDonald's Farmyard** before performing with Captain Black and his fellow pirates within the live Courtyard show in Mutiny Bay.
